Independent Auditor's Report

Board of Directors
The Second Gate Post Estates Homeowners Association
Centreville, Virginia

We have audited the accompanying Balance Sheets of The Second Gate Post Estates Homeowners Association as of December 31, 2008 and 2007, and the related Statements of Income, Members' Equity, and Cash Flows for the years then ended. These financial statements are the responsibility of the Association. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the Association, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Second Gate Post Estates Homeowners Association as of December 31, 2008 and 2007, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

The supplementary information on future major repairs and replacements on page 9 is not a required part of the basic financial statements of The Second Gate Post Estates Homeowners Association, but is supplementary information required by the American Institute of Certified Public Accountants. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and express no opinion on it.

THE SECOND GATE POST ESTATES HOMEOWNERS ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2008 AND 2007

NOTE 1 - NATURE OF OPERATIONS:

The Association is organized under the laws of the Commonwealth of Virginia for the purposes of maintaining and preserving the common property of the Association. The Association consists of 140 homes located in Centreville, Virginia. The Board of Directors administers the Association operations.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES:

A) Method of Accounting - The financial statements are presented on the accrual method of accounting in which revenues are recognized when earned and expenses when incurred, not necessarily when received or paid.

B) Member Assessments - Association members are subject to assessments to provide funds for the Association's operating expenses, future capital acquisitions, and major repairs and replacements. Assessments receivable at the balance sheet date represent fees due from homeowners. The Association's policy is to retain legal counsel and place liens on the properties of owners whose assessments are delinquent. Any excess assessments at year-end are retained by the Association for use in future years. The Association utilizes the allowance method of accounting for bad debt.

C) Common Property - Real property and common areas acquired from the declarant and related improvements to such property are not recorded in the Association's financial statements since the property cannot be disposed of at the discretion of the Board of Directors. Common property includes, but is not limited to, land and entrance features.

D) Estimates - The preparation of financial statements, in conformity with generally accepted accounting principles, requires management to make estimates and assumptions. Such estimates affect the reported amounts of assets and liabilities. They also affect the disclosure of contingent assets and liabilities, at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

E) Cash Equivalents - For purposes of the statement of cash flows, the Association considers all highly liquid investments and interest-bearing deposits with an original maturity date of three months or less to be cash equivalents.

NOTE 3 - REPLACEMENT RESERVES:

The Association's governing documents do not require that funds be accumulated for future major repairs and replacements; however, the Association has elected to set aside funds. Accumulated funds are generally not available for expenditures for normal operations.

THE SECOND GATE POST ESTATES HOMEOWNERS ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2008 AND 2007
(CONTINUED)

NOTE 3 - REPLACEMENT RESERVES: (CONTINUED)

The Association had a replacement reserve study conducted by the Board during 2009. The table included in the Supplementary Information on Future Major Repairs and Replacements is based on this study.

The study recommends a contribution to reserves of \$1,327 for 2009. For 2008, the Association elected not to contribute funds to the replacement reserves.

Funds are being accumulated in replacement reserves based on estimates of future needs for repair and replacement of common property components. Actual expenditures may vary from the estimated future expenditures and the variations may be material; therefore, amounts accumulated in the replacement reserves may or may not be adequate to meet all future needs for major repairs and replacements. If additional funds are needed, the Board of Directors, on behalf of the Association may increase regular assessments, pass special assessments, or delay major repairs and replacements until funds are available.

As of December 31, 2008 and 2007, the Association had designated \$3,364 for replacement reserves. These designated reserves were funded by cash and interest-bearing deposits.

NOTE 4 - INCOME TAXES:

For income tax purposes, the Association may elect annually to file either as an exempt homeowners association or as an association taxable as a corporation. As an exempt homeowners association, the Association's net assessment income would be exempt from income tax, but its interest income would be taxed. Electing to file as a corporation, the Association is taxed on its net income from all sources (to the extent not capitalized or deferred) at normal corporate rates after corporate exemption, subject to the limitation that operating expenses are deductible only to the extent of income from members. For 2008 and 2007, the income taxes were calculated using the exempt method.

NOTE 5 - CASH AND INTEREST-BEARING DEPOSITS:

As of December 31, 2008, the Association maintained its funds in the following manner:

THE SECOND GATE POST ESTATES HOMEOWNERS ASSOCIATION
SUPPLEMENTARY INFORMATION ON FUTURE MAJOR
REPAIRS AND REPLACEMENTS
DECEMBER 31, 2008
(UNAUDITED)

The Association had a replacement reserve study conducted by the Board during 2009 to estimate the remaining useful lives and the replacement costs of the components of common property. Replacement costs were based on the estimated costs to repair or replace the common property components at the date of the study. Estimated replacement costs do not take into account the effects of inflation between the date of the study and the date the components will require repair or replacement.

The following has been extracted from the Association's replacement reserve study and presents significant information about the components of common property.

<u>Component</u>	<u>2009 Estimated Remaining Useful Life (Years)</u>	<u>2009 Estimated Replacement Cost</u>
Stone walls	15	\$ 15,000
Trees and shrubs	Indefinite	8,000
Irrigation system	20	7,780
Entryway Fence	10	2,000

Dear Auditors:

We are providing this letter in connection with your audits of the financial statements of The Second Gate Post Estates Homeowners Association as of December 31, 2008 and 2007, and for the years then ended, for the purpose of expressing an opinion as to whether the financial statements present fairly, in all material respects, the financial position, and results of operations and cash flows, in conformity with accounting principles generally accepted in the United States of America. We confirm that we are responsible for the fair presentation in the financial statements of financial position, results of operations, and cash flows in conformity with accounting principles generally accepted in the United States of America. We are also responsible for adopting sound accounting policies, establishing and maintaining internal control, and preventing and detecting fraud.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, the following representations made to you during your audits:

1. The financial statements referred to above are fairly presented in conformity with accounting principles generally accepted in the United States of America.
2. We have made available to you all -
 - A) Financial records and related data.
 - B) Minutes of meetings of the Board of Directors.
3. There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
4. There are no material transactions that have not been properly recorded in accounting records underlying the financial statements.
5. We are in agreement with the adjusting journal entries you have recommended, and they have been posted to the Association's accounts, if appropriate.

6. We acknowledge our responsibility for the design and implementation of programs and controls to prevent and detect fraud.
7. We have no knowledge of any fraud or suspected fraud affecting the Association involving:
 - A) management,
 - B) employees who have significant roles in internal control, or
 - C) others where the fraud could have a material effect on the financial statements.
8. We have no knowledge of any allegations of fraud or suspected fraud affecting the Association received in communications from employees, former employees, owners, regulators, or others.
9. The Association has no undisclosed plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
10. The following have been properly recorded or disclosed in the financial statements -
 - A) Related party transactions and related accounts receivable or payable, including sales, purchases, loans, transfers, leasing arrangement, and guarantees.
 - B) Guarantees, whether written or oral, under which the Association is contingently liable.
11. There are no estimates that may be subject to a material change in the near term that have not been properly disclosed in the financial statements. We understand that near term means the period within one year of the date of the financial statements. In addition, we have no knowledge of concentrations existing at the date of the financial statements that make the Association vulnerable to the risk of severe impact that have not been properly disclosed in the financial statements. We understand that concentrations include individual or group concentrations of sources of labor, services, suppliers or lenders. We further understand that severe impact means a significantly financially disruptive effect on the normal functioning of the Association.
12. Except for legal issues disclosed to you, there are no other -
 - A) Violations or possible violations of laws or regulations whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.
 - B) Other liabilities or gain or loss contingencies that are required to be accrued or disclosed by Statement of Financial Accounting Standards No. 5.
 - C) Pending or threatened litigation, claims or unasserted claims that are required to be accrued or disclosed in the financial statements in accordance with Statement of Financial Accounting Standards No. 5, and we have not consulted a lawyer concerning litigation or claims.
13. The Association has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged, except as made known to you and disclosed in the notes to the financial statements.
14. We have complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
15. We are responsible for the fair presentation of the supplemental information accompanying the financial statements about future major repairs and replacements. The Association had a study conducted in 2009. Amounts accumulated in the replacement reserves may or may not be adequate to meet all future needs for major repairs and replacements. If additional funds are needed, the Board of

Directors, on behalf of the Association may increase regular assessments, pass special assessments, or delay major repairs and replacements until funds are available.

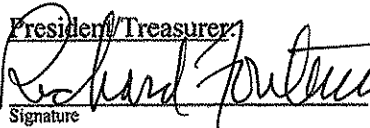

16. We understand that the Association is responsible for the choice of income tax filing method and the consequences thereof. The Association's allocation of expenses against exempt and nonexempt function income conforms to IRS rules, which require that the allocation be made "on a reasonable basis."
17. We have reviewed the transactions affecting replacement reserves (including inter-equity transfers). We are in agreement with them and they are properly authorized and approved.
18. Based on the advice of an insurance professional, insurance coverage is considered adequate for any anticipated property damage losses or liability claims.
19. Assessments receivable recorded in the financial statements represent valid claims against debtors for assessments or other charges arising on or before the balance sheet date and have been reduced to their estimated realizable value.
20. If we intend to print a portion of your report (not in its entirety), we will notify you in advance, and you will have the opportunity to review such printed material before its issuance.
21. We have disclosed to you all material events, if any, that would require adjustments to, or disclosure in, the financial statements. In addition, we represent that no other material events have occurred since you completed your audit fieldwork on October 8, 2009 and through the date of this letter. Examples of material events include, but are not limited to, contracts for replacement reserve expenditures, losses due to a fire, changes in ongoing litigation or new litigation and approval of special assessments. Material events that have occurred are:

Management Letter

This communication is intended solely for the information and use of management and the board of directors and is not intended to be and should not be used by anyone other than these specified parties.

October 30, 2009

Board of Directors
The Second Gate Post Estates Homeowners Association
Centreville, Virginia

Dear Board Members:

In connection with our examination of the financial statements of The Second Gate Post Estates Homeowners Association for the year ended December 31, 2008, we make the following comments and recommendations.

Financial Analysis

As of December 31, 2008, the Association had a surplus of \$10,956 in excess operating funds (unappropriated members' equity). This represents approximately 17% of annual assessments. We commend the Association on maintaining a buffer of 10% to 20% of annual assessments as excess operating funds.

We also commend the Association for collecting all assessments due for 2008.

The designated replacement reserves of \$3,364 were funded by cash and interest-bearing deposits as of December 31, 2008.

Crime Coverage

We recommend the Association meet with its insurance agent at least annually to discuss coverage and to make sure that the coverage provides the necessary and appropriate protection. In addition, the Association must get a clear understanding of the process necessary for prompt payment should an event occur and a claim becomes necessary. The Association should maintain crime coverage that equals or exceeds the total of its funds. It should be structured to include a defalcation or

misappropriation committed by a Board member, an employee of the Association, or employees of the management company, including principals.

Federal Deposit Insurance Corporation (FDIC)

Effective October 3, 2008 through December 31, 2013, the FDIC insures bank accounts for up to \$250,000 per financial institution. At times throughout the year, the Association's account balances may exceed this limit. We recommend the Association monitor its accounts and immediately transfer funds in excess of the FDIC limit to other institutions or Treasury instruments so all Association funds will be insured. The Association should also periodically check the ratings for all financial institutions used by the Association.

Income Taxes

For 2008, we recommend the Association file using the exempt method.

We shall be pleased to discuss our comments and recommendations in greater detail and we are always available to give advice on any financial matter. Please do not hesitate to contact us if there are any questions regarding proper accounting procedures or the implementation of our suggested changes.

Very truly yours,

Communication with Those Charged with Governance under SAS No. 114

This communication is intended solely for the information and use of management and the board of directors and is not intended to be and should not be used by anyone other than these specified parties.

October 30, 2009

Board of Directors
The Second Gate Post Estates Homeowners Association
Centreville, Virginia

Dear Board Members:

We have audited the financial statements of The Second Gate Post Estates Homeowners Association as of December 31, 2008 and for the year then ended and have issued our report thereon. Professional standards require that we provide you with the following information related to our audit.

Our Responsibility under U.S. Generally Accepted Auditing Standards

As stated in our engagement letter, our responsibility, as described by professional standards, is to express an opinion about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your responsibilities.

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to you in our engagement letter and through discussions with management or the board of directors.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

The Association is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used

Fax (866) 416-9212

by the Association are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year. We noted no transactions entered into by the Association during the year for which there is a lack of authoritative guidance or consensus. There were no significant transactions that have been recognized in the financial statements in a different period than when the transaction occurred.

Accounting estimates are an integral part of the financial statements prepared by the Association and are based on the Association's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no significant accounting estimates for the year under audit.

The disclosures in the financial statements are neutral, consistent and clear. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no significant disclosures to the financial statements for the year under audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with the Association or management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. The adjusting journal entries have been provided to the Association. None of the misstatements detected as a result of audit procedures were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management and Board of Directors Representations

We have requested certain representations from management and the board of directors that are included in the representation letter.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Association's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with the board of directors and management each year. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Very truly yours,

Goldklang, Cavanaugh & Associates, P.C.

Communication of Significant Deficiencies and/or Material Weaknesses under SAS No. 112

This communication is intended solely for the information and use of management and the board of directors and is not intended to be and should not be used by anyone other than these specified parties.

October 30, 2009

Board of Directors
The Second Gate Post Estates Homeowners Association
Centreville, Virginia

Dear Board Members:

In planning and performing our audit of the financial statements of The Second Gate Post Estates Homeowners Association as of December 31, 2008 and for the year then ended, in accordance with auditing standards generally accepted in the United States of America, we considered the Association's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. However, as discussed below, we noted certain deficiencies in internal control that we consider to be significant deficiencies.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control. We consider the following to be significant deficiencies in internal control.

Maryland

1700 Rockville Pike, Suite 400
Rockville, Maryland 20852
Phone (301) 998-6581
Fax (866) 416-9212

Virginia and Administrative Office

1801 Robert Fulton Drive, Suite 200
Reston, Virginia 20191
Phone (703) 391-9003
Fax (703) 391-9004

Texas

777 Lonesome Dove Trail, Suite B
Hurst, Texas 76054
Phone (800) 934-7006
Fax (866) 416-9212

Segregation of Duties

The Association's volunteer board members perform the accounting functions for the Association. This limited number of volunteers prevents the Association from segregating all accounting functions.

Accounting System

The Association's books are maintained on Microsoft Excel spreadsheets. Accounting systems have controls in place that do not exist with Microsoft Excel spreadsheets.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control. We believe that the above deficiencies constitute material weaknesses.

Very truly yours,

Goldklang, Cavanaugh & Associates, P.C.
